### MA declaration of commitment

To enable each MA to reach its full potential, every talent must be given a chance. Talent development is a long-term commitment for every association. Maximising the benefits of the FIFA Talent Development Scheme (TDS) will require time and effort from the designated stakeholders across your association. - We are committed to supporting the TDS and the implementation of a strategic long-term development plan.
- We are committed to working with, and supporting the work of, FIFA's dedicated team of high-performance specialists in the various programmes of the TDS.
