Coach Maabek
Thought the girls stopped playing after the first goal. Annoying.

Coach Maabek
3-0. Need to work them harder to understand that it's about attitude and work rate

Mustafa Al-Rawi
They did well until that sloppy goal. They dont play competitive games

Mustafa Al-Rawi
None of them play regularly. It's all training and friendlies. Not their fault.

Coach Hassan
Agree with Maabek. Its a tough game. we need to be harder on them!

Mustafa Al-Rawi
Hey.We're here to develop them.This is not the Pro League

At the meeting tomorrow lets talk about improvements . Any injuries?

Coach Hassan

None of the girls mentioned injuries boss. Should i check with the physio?

Jasmine Salah

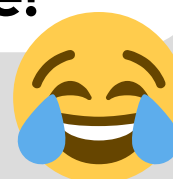

Hassan did you do the warm down? I didn't see any warm down. You agreed to do the warm down.

Jasmine Salah

The two girls who came on had sat on the bench and done nothing for 20 minutes. You need to do your job!

Coach Hassan

Look - I've been in the game ten years. Don't tell me my job. No warm down because we needed to eat. Pizza time!

Coach Hassan

It's a Girls' U17 Team. They'll all be married and ironing shirts this time next year. Cool it!
